# ABC Scramble

Let's write the letters!

Let's write the letters in the boxes!

A large blue-bordered box containing three items: a girl in a red polka-dot dress next to a pink box with a dashed letter 'G'; a brown hat next to a blue box with a dashed letter 'H'; and a green dinosaur next to a yellow box with a dashed letter 'I'.

A grid of 21 small boxes for tracing. Each box contains a dashed letter (G, H, or I) and a corresponding illustration (girl, hat, or dinosaur). The boxes are arranged in three rows: the first row has 6 boxes, the second row has 6 boxes, and the third row has 6 boxes.

Now, can you say all of these letters?
